DEVOTED TO
REJUVENATING
YOUR SKIN AND
APPEARANCE

FACIAL TREATMENTS

Custom Facial With: \$125
Microdermabrasion, or Micro-current, or High Frequency, or LED Light Therapy. *This multi-layer, 50 minute, relaxing treatment includes deep pore cleansing, exfoliation, extractions, and a customized series of products catered to your skin's needs.*

Microdermabrasion \$120
(add) Chemical Peel \$60
This procedure uses a special applicator with an abrasive surface to gently sand away the thick outer layer of the skin to rejuvenate it, renewing overall skin tone and texture.

Dermaplaning \$130
This treatment utilizes an exfoliating blade to skim dead skin cells and hair from your face. It is also called microplaning or blading. Dermaplaning aims to make your skin's surface smooth, youthful and radiant. Choose from NuPeel, SensiPeel, or a peptide face mask as your complimentary add-on to this exfoliating treatment.

Hydracial MD
Single Treatment \$160
(add) Neck Treatment \$40
(add) Dermaplaning \$35
The only hydradermabrasion procedure that combines cleansing, exfoliation, extraction, hydration and antioxidant protection simultaneously. This combination of microdermabrasion and chemical exfoliation, not only improves the appearance of fine lines, wrinkles, acne, pores and hyper-pigmentation, but also helps slow down the aging process of the skin.

Venus Legacy
Lower Face Treatment Pkg of 8 \$700
Face or Neck Treatment Pkg of 8 \$900
Lower Face & Neck Treatment Pkg of 8 \$1200
Face & Neck Treatment Pkg of 8 \$1400
Wrinkle reduction and skin tightening using multi polar radio frequency (RF) along with pulsed magnetic fields.

Chemical Peels
PCA Peels \$135
V1 Peel \$285
These innovative and proven peel formulas effectively exfoliate skin types suffering from sun damage, active acne, melasma and scarring, with blends of lactic, citric and salicylic acids and resorcinol, while bleaching and inhibiting pigment production with kojic acid and hydroquinone. These peels help repair and reduce breakouts, control oil, soften lines and provide a more even, smoother skin texture.

Tetra Advanced CO2 Laser/CoolPeel
CoolPeel:
Full Face or Neck \$500
Package of 3 \$1275
Full Face and Neck Treatment \$800
Tetra Full Resurfacing:
Full Face \$1200
Full Face & Neck \$1900
Tetra CO2 full resurfacing dramatically improves deep wrinkles, acne scars, sun damage, texture, and skin laxity by stimulating significant collagen renewal and resurfacing damaged skin. Delivers transformative results with a longer recovery period. CoolPeel CO2 is a lighter, low-downtime CO2 resurfacing treatment that refreshes skin tone and texture, minimizes pores, softens fine lines, and reduces sun damage. CoolPeel delivers the benefits of CO2 laser resurfacing with minimal redness and little interruption to your daily routine.

SkinPen Medical Microneedling
Single Treatment \$300
Package of 3 \$750
(add) Neck Treatment \$175 each
This medical grade, state-of-the-art microneedling device is designed to improve the appearance of fine lines, wrinkles, and scars on the face and body. This allows for controlled induction of the skin's self-repair process by creating thousands of precise micro-injuries in the dermis, automatically triggering new collagen synthesis without causing scar tissue formation.

Vampire Facial/SkinPen with PRF (platelet rich fibrin)

Single Treatment \$500
Package of 2 \$850
(add) Neck Treatment \$175 each
The vampire facial, a platelet-rich fibrin facial, involves taking a sample of your own blood, extracting the fibrin, and then injecting it with microneedles back in your face. It's a facial that essentially uses your own blood to help promote the healthy activity of your skin cells. Platelets are rich in growth factors, which essentially act as an energy boost for your skin. This helps skin function optimally, increasing everything from collagen to elastin, while also bringing antioxidant and hydrating properties.

IPL Photorejuvenation (photofacial)

Single Spot \$70
Full Face \$290
Chest \$240
Hands \$160
Partial Face \$70 - 280
Improve the signs of sun damage, rosacea, and brown and red spots on the face, neck, chest, back, arms and hands.

Vivace Fractional Microneedle RF

Single Treatment \$650
Package of 3 \$1800
(add) Neck Treatment \$175 each
(add) PRF \$175 each
This treatment is the newest generation of radiofrequency microneedling, and is FDA-cleared for your safety. This minimally-invasive treatment stimulates the natural production of collagen and is shown to be effective in alleviating facial wrinkles, fine lines, and tightening and toning the face and neck. This treatment is the strongest option and provides the most dramatic results with minimal downtime.

Sofwave

Face or Neck \$1000
Face and Neck \$1850
This treatment is the latest technology to revitalize the skin through innovative stimulation of the production of new collagen. Sofwave's Synchronous Ultrasound Parallel Beam Technology is FDA cleared for lifting the eyebrow, submental and neck and reducing fine lines and wrinkles.
