# FACIAL TREATMENTS

## Custom Facial With: \$120

Microdermabrasion, or Micro-current, or High Frequency, or LED Light Therapy. *This multi-layer, 50 minute, relaxing treatment includes deep pore cleansing, exfoliation, extractions, and a customized series of products catered to your skin's needs.*

## Microdermabrasion \$115

(add) Chemical Peel \$55  
*This procedure uses a special applicator with an abrasive surface to gently sand away the thick outer layer of the skin to rejuvenate it, renewing overall skin tone and texture.*

## Dermaplaning \$125

*This treatment utilizes an exfoliating blade to skim dead skin cells and hair from your face. It is also called microplaning or blading. Dermaplaning aims to make your skin's surface smooth, youthful and radiant. Choose from NuPeel, SensiPeel, or a peptide face mask as your complimentary add-on to this exfoliating treatment.*

## Hydracial MD

Single Treatment \$150  
(add) Neck Treatment \$30  
(add) Dermaplaning \$25

*The only hydradermabrasion procedure that combines cleansing, exfoliation, extraction, hydration and antioxidant protection simultaneously. This combination of microdermabrasion and chemical exfoliation, not only improves the appearance of fine lines, wrinkles, acne, pores and hyper-pigmentation, but also helps slow down the aging process of the skin.*

## Venus Legacy

Lower Face Treatment Pkg of 8 \$650  
Face or Neck Treatment Pkg of 8 \$850  
Lower Face & Neck Treatment Pkg of 8 \$1150  
Face & Neck Treatment Pkg of 8 \$1350

*Wrinkle reduction and skin tightening using multi polar radio frequency (RF) along with pulsed magnetic fields.*

## Chemical Peels

PCA Peels \$120  
Vitalize Peel \$160  
V1 Peel \$280

*These innovative and proven peel formulas effectively exfoliate skin types suffering from sun damage, active acne, melasma and scarring, with blends of lactic, citric and salicylic acids and resorcinol, while bleaching and inhibiting pigment production with kojic acid and hydroquinone. These peels help repair and reduce breakouts, control oil, soften lines and provide a more even, smoother skin texture.*

## SkinPen Medical Microneedling

Single Treatment \$280  
Package of 3 \$675

*This medical grade, state-of-the-art microneedling device is designed to improve the appearance of fine lines, wrinkles, and scars on the face and body. This allows for controlled induction of the skin's self-repair process by creating thousands of precise micro-injuries in the dermis, automatically triggering new collagen synthesis without causing scar tissue formation.*

## Vampire Facial/SkinPen with PRP (platelet rich plasma)

Single Treatment \$500  
Package of 2 \$850

*The vampire facial, a platelet-rich plasma facial, involves taking a sample of your own blood, extracting the plasma, and then injecting it with microneedles back in your face. It's a facial that essentially uses your own blood to help promote the healthy activity of your skin cells. Platelets are rich in growth factors, which essentially act as an energy boost for your skin. This helps skin function optimally, increasing everything from collagen to elastin, while also bringing antioxidant and hydrating properties.*

## eMatrix Sublative Rejuvenation

Partial Face/Area Treatment Pkg of 4 \$700  
Full Face/Area Treatment Pkg of 4 \$1200

*This treatment goes beyond fractional methods for skin resurfacing to improve wrinkles, acne scars, textural irregularities, crepey skin, large pores, elasticity and superficial skin lesions, using radio frequency energy.*

## IPL Photorejuvenation (photofacial)

Single Spot \$60  
Full Face \$265  
Chest \$195  
Hands \$125  
Partial Face \$70 - 250

*Improve the signs of sun damage, rosacea, and brown and red spots on the face, neck, chest, back, arms and hands.*

## Vivace Fractional Microneedle RF

Single Treatment \$650  
Package of 3 \$1800  
(add) Neck Treatment \$150 each  
(add) PRP \$175

*This treatment is the newest generation of radiofrequency microneedling, and is FDA-cleared for your safety. This minimally-invasive treatment stimulates the natural production of collagen and is shown to be effective in alleviating facial wrinkles, fine lines, and tightening and toning the face and neck. This treatment is the strongest option and provides the most dramatic results with minimal downtime.*

## Lamprobe Lesion Removal

1st Lesion \$60  
Each Additional in Same Appointment \$15  
Full Area \$230

*Treats and removes a wide variety of common minor, small skin lesions, including cherry angiomas, spider naevi, raised angiomas, sebaceous hyperplasia, sebaceous cysts, milia, cholesterol deposits, fibromas, skin tags, seborrheic keratosis and actinic keratosis.*

## Botox & Dermal Fillers & Injectables

Juvederm \$550/Syringe  
Vollure \$675/Syringe  
Voluma \$850/Syringe  
Sculptra \$850/Vial

*Instantly restore lost volume and lift. Smooth out moderate to severe wrinkles around the nose, mouth and more. Regenerate your skin from the inside out and achieve smooth, natural-looking results that last.*

### Kybella: \$ 550 /Vial

*Destroys fat cells in the treatment area under the chin to improve your profile.*

### Vitamin B12 Injections:

Single Shot \$45  
Package of 4 Shots \$150  
Package of 8 Shots \$280  
Package of 12 Shots \$360

*Cyanocobalamin is a man-made form of vitamin B12 used to treat low levels (deficiency) of this vitamin. Vitamin B12 helps your body use fat and carbohydrates for energy and make new protein. It is also important for normal blood, cells, and nerves.*
